Green Night

at

The Morgantown Public Library

**** Thursday May 20th ****

Please join the Morgantown Green Team* on Thursday, May 20th, from 5:30pm - 7:30pm, at the Public Library at 373 Spruce Street.

This month's topic:

Designing Green: **The Design Process with a focus on Sustainability**

This month's format: Lecture starting at approximately 5:30 with Q&A to follow.

The Green Team will have various educational materials and will have Megan Nedzinski, LEED AP presenting sustainability considerations for building projects.

Megan Nedzinski, LEED AP is an Architectural Designer with extensive design experience, as well as hands-on building experience, focused on sustainable solutions for the built environment. Megan's portfolio of built work ranges from the employment of conventional building methods, to alternative natural building solutions, to innovative technologies.

* The Morgantown Green Team is a group of citizens with interests in sustainable issues that advises the City of Morgantown on matters related to sustainability in public policy, planning, education, departmental management, development, and evaluation of environmental and energy related matters.
