

## 9/5/10 Green team Meeting Minutes

Morgantown Library meeting room

Attendance:

Chris Van Dyke	Erik Edwards	Rich Dennis
Nate Askins	Ethan Gatrell	Steve Woodruff
Bill Wonderlin	Tim Stranko	Chris Haddox
Don Spencer	John Hall	

Meeting started at 4:07 PM

Minutes approved from last meeting

Secretary –Erik took notes this meeting, Tim agreed to take notes at the next meeting. Secretary duties will rotate every week.

Ethan Gatrell formerly introduced as the new IEBG intern. Immediate duties will include planning the October event at the library.

Green Team September event –

- Megan will present on green building

Green Team October event –

- October 16 from 9am – 1pm
- Ethan still working out logistics with the library
- Opportunity for networking, info stations, and input gathering
- Q and A with Trevor, city officials, mayor, and hopefully city council representation
- Ethan will circulate event outline with green team members

Semi-permanent display board now in the library, Ethan is in charge of filling it

Energy Committee –

- Still waiting on utility bills, which must be requested by a city official
- Nothing new on ARC grant

Recycling Committee –

- Solid Waste Advisory meetings
  - Should the green team be further represented?
  - Anyone willing to attend?
  - Should Tom Arnold simply post updates to our mailing list?

- Composters –
  - If 96 can be pre-purchased, shipping will be covered by the city
  - Linda has set up almost everything, and now looking for someone to organize sales and preorder
    - Chris will send out email looking for volunteer

Still waiting on letter to city from PSC/Allegheny energy

- New lighting contract with Constellation is in the works

Report to City council

- Bill will work with Chris to get report together, hopefully before Dan leaves office

City still in search of City Manager

- 5 to 8 candidates available by September 15<sup>th</sup>
- Green Team should come up with questions WE have for new candidates, with desirable answers
- Questions will be sent to Chris Haddox to compile for the city
